

# SAFETY AND SECURITY SERVICES

Safety and Security of both community people and staff are the key concern of the organization. Focusing COVID-19, BANDHU has already formed:

The increase of Gender Based Violence (GBV) and harassment against community is quite concerning. In July 2020, we documented 13 GBV records. Currently, Ain Alap is providing all kinds of information to the community if they need any emergency support relating to their safety and security.

During this reporting period, BANDHU has received 147 calls from community. Besides, the following equipment were distributed among the community under Rights for Gender Diverse Population (RGDP) Project, USAID: Surgical masks: 1050 pcs, Disposable gloves: 1900 pcs, Hand Sanitizer (250 ml): 1050 pcs.
