

2022 Gender Academy

Flagship Course on Sexuality and Gender

Possibility is the pioneering platform in Bangladesh, run by gender-diverse women working for the women, girls, trans, and intersex community.

Possibility acts to provide support to members for a sustainable life, including a safe environment, counseling, capacity building, SRHR, human rights, and awareness on gender and sexuality.

Bandhu Social Welfare Society (Bandhu) is a community-led organization working for the betterment of the gender-diverse population by protecting their human rights and advancing sustainable livelihood, quality health care and access to social security & gender justice.

With the support from Mama Cash & FJS, Possibility & Bandhu is set to host a comprehensive training course on gender & sexuality issues led by expert facilitators from home & abroad.
